### Introductory note

#### This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

We have varied the permit to update the document reference numbers in Table S1.2 Operating techniques, and to add EWC codes to Table S3.1 Permitted waste types and quantities for waste acceptance, treatment and transfer.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
